

I am as green as the grass,

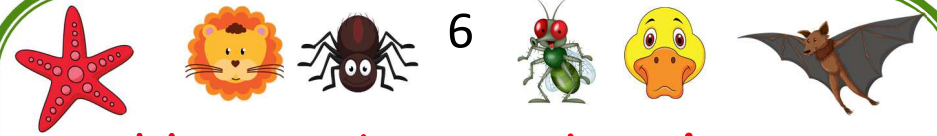

But grass I am not,

I speak like man

But a man I am not.

What am I?

You can hear me buzzing

As you sit by a campfire.

I love to suck your blood,

But I am not a vampire.

What am I?

I climb trees but I am not a cat.

I eat nuts but I am not a bird.

I have a bushy tail

but I not a fox.

What am I?

At night you will see me

flying around.

In the daytime you will see

me hanging upside down.

What am I?
