

I have a hump on my back,  
 Sometimes it is two.  
 You will find me in a desert  
 waiting to help you.

What am I?

I hop on four legs or  
 sit on a lily pad.  
 With my tongue I catch bugs  
 Filling my belly and making  
 me glad.

What am I?

I have wings of many colors.  
 Among the flowers I fly.  
 I drink their tasty nectar.

I am a \_\_\_\_\_.

My nose is like a snake,  
 I am too big to be your pet.  
 My skin is gray, ears are big,  
 And I never, ever forget.

What am I?
