

I open my mouth and
give a roar.

They call me the king,
I am hard to ignore.

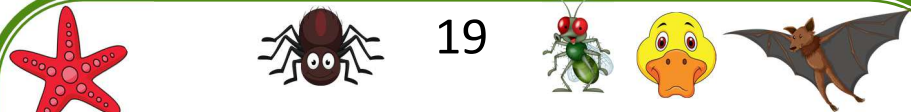

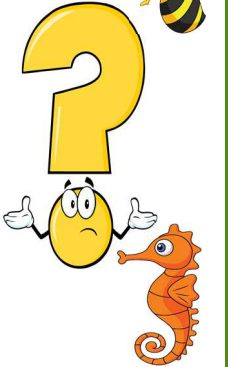

What am I?

I have wings but
I do not fly.

I like to swim but
a bird am I.

What am I?

I have a long, long neck to
reach leaves in a tree.

I am the tallest animal in
the world.

What could I be?

I carry my house
upon my back.

I can live 80 years or more
and that's a fact.

What am I?
