

I am green with wings
and have a beak.
Whatever you say
I will repeat and speak.
What am I?

When the sun comes up
You hear me crow.
"Cock-d-doodle-doo"
is the way is goes.

What am I?

I am the fastest
animal in the world.
I always win in
card games.

What am I?

I have many feet,
a hundred in all.
They all work together
so I will not fall.

What am I?
