

Superman and Batman,  
Both like to wear one.  
Wear me over your shoulders  
It will be fun.

I can be smelly  
I come in two's,  
I can be found  
Between your feet and shoes.

Two good legs we have,  
but we can't walk.  
Without us,  
people can't be out.

If you have me,  
I will bet.  
When it rains,  
You won't get wet.
