

You wear me
On your feet.
I love hot weather and
going to the beach.

You find me on the ears,
I can be silver or gold.
"You are beautiful"
I am often told.

I can be tall or short.
I can be any color, even red.
I can be soft or hard,
But I am always on your head.

I have a tongue and laces
and even a tread.
I come in pairs
But don't wear me in bed.
