

I am worn around the neck.  
I am tied with ends hanging  
down or in a bow  
Who am I? Do you know?

When it gets cold outside,  
I will be chosen.  
You wear me around your neck,  
So you won't get frozen.

Wear me in the ocean or lake.  
Wear me when it is hot.  
Wear me in the summer  
And in the water a lot.

Put me on your finger.  
I will shine.  
Give me to someone special  
For a wedding time.
