

I'm a color but I'm not red.

I grow on trees.

I am juicy and you peel me

To eat me.

I am made from goat milk,

cow milk, and even sheep

milk. I can be sliced, diced,

or shredded.

22

I am very, very cold.

I come in many flavors.

People of all ages love me.

23

Take out my seeds and

carve me just right.

Light a candle inside me to

glow at night.
