

Because of me, you can sail
on a boat and paddle a
canoe, but you won't ride a
bicycle or a motorcycle.

I am the first on a branch
and with a bird.
I am even the first to bark,
but not to meow.

Without me, you will
never be rich, you will
never sing, and you will
never sit.

I am honored to make a
helpful hero very happy.
Sadly, I can't help Wonder
Woman or Spiderman.
