

Puddles has two. Lake  
and river has none.

I am with Adam, but  
I'm not with Eve. I am  
in the apple, but not  
the serpent.

With my help you can ride a  
burro, put your purse in the  
trunk, but I won't help you  
put your bag in the car.

With me you can zip a  
zipper and zoom around  
with zeal, but not button a  
coat or walk happily.
