The more it gets wet,
the more it dries.

We twinkle when it's dark, we
disappear when the rooster crows,
and some say they see us when
they step on a cactus.

I have hands, but can't sew.
I have numbers, but can't
read.

I reflect you, the fairest
one of all.

The seven are brothers that
live only one day. When one
dies, the next is born. This
is how they live.

She's a sister to your uncles,
the daughter of your
grandparents, and she loves
you dearly.

I have many pairs. You
can try them for free,
but if you take them you
have to pay.

We are more than one, we
come out with the moon, you
can make a wish on us.

A special celebration just
for you to remember the
day you were born.

It is black when you buy it,
red when you use it, gray
when you dump it.

I do my work with a lot of heat,
leaving clothes looking smooth.

What repeats anything you say in any language?

©The Learning Patio-Dos Idiomas

What a doctor tells you.

Goes in only if it turns its head.

What undresses when it gets cold?

Why does the duck envy
the chair?

©The Learning Patio-Dos Idiomas

Why is it good to put sugar
on your pillow?

It has teeth but never eats.

It has a face but no body.

Why do stars move so slow?

©The Learning Patio-Dos Idiomas

What is the only letter you eat?

Best thing with a T to talk
with friends.

The comic character who
charges and sneezes.
