

Camping Story #2

Extra Information

73. Camping with the family is fun. Denise grabbed her sack and went hiking with her dad. Along the trail, Denise found 10 shiny rocks and put them in her bag. Her dad picked up 8 small branches to use in the campfire. Denise added 13 acorns to her bag. When they got back to camp, how many things did Denise have in her bag?

Camping Story #3

Extra Information

74. Denise and her brother, Manny, walked along the beach. Manny hunted for smooth, flat rocks to skip across the water. He found 9 perfect rocks. Denise picked up 6 seashells that had washed up on shore. As they walked Manny found 8 more smooth, flat rocks. How many rocks did Manny find to skip across the water?
