# PETER AND THE WOLF

1. What was Peter's job?

- the town's watchman     tending sheep     hunting wolves     planting seeds

2. Why did Peter play tricks on the townspeople ?

- Because he was afraid.                       Because he liked the wolf.  
 Because he was angry with them.         Because he was bored.

3. What will probably happen to Peter?

---

---

4. Why didn't the townspeople come when the wolf came?

- They were eating.                       They didn't believe Peter.  
 It was very late.                       They wanted to punish Peter

5. What lesson did Peter learn?

- Nobody believes a liar even when he tells the truth.  
 If you need help call on family not strangers.  
 There are dangerous animals in the wild.  
 Wolves are very tricky animals.
