

## CONNECTORS

Remember that connectors are words or groups of words that are used in a text to relate ideas.

Write in the space, the connector that you think best connects the idea in each of the following sentences:

1. That girl is prettier \_\_\_\_\_ her sister.  
THAN                      FROM                      THERE AS                      AFTER
2. I came \_\_\_\_\_ explain to me how I use this device.  
ANYWAY                      BECAUSE                      THEN                      SO
3. I will read that book \_\_\_\_\_ I'm interested in the subject.  
AFTER                      THAT IS TO SAY                      SINCE                      EVEN IF
4. It would have helped you \_\_\_\_\_ you would have told me.  
FIRST                      IF                      SO THAT                      WHAT
5. They couldn't win the game \_\_\_\_\_ they tried hard.  
SINCE                      EVEN IF                      BECAUSE OF                      FURTHER
6. I already raised the money to pay \_\_\_\_\_ don't worry.  
FOR EXAMPLE                      ACCORDING TO                      EVEN IF                      SO
7. She likes to listen to music \_\_\_\_\_ she studies.  
ACCORDING TO                      WHILE                      IN A WAY                      HOW
8. Gregorio didn't come to the meeting \_\_\_\_\_ gave a reason.  
NOR                      AT FIRST                      WEIGHED                      SINCE
9. Everything happened \_\_\_\_\_ in the novels.  
RATHER THAN                      LIKE                      BEFORE                      SO THAT
10. They gave us orange juice \_\_\_\_\_ cookies.  
IN ADDITION TO                      SO                      ALWAYS                      BUT THAT
