

# STOPPING A VIRUS

Read the texts carefully to discover which healthy habit is NOT being followed.

The Learning Patio-Dos Idiomas

## CASE A

Marta has gone out to put the garbage by the street. When she returns, she goes to the kitchen, takes a glass of water, and drinks it. She puts the glass in the dishwasher, sits on the sofa, and reads a magazine. She gets a call on her phone and answers it. It is her friend Carla; she talks to her on the phone for a while.

## CASE B

Luis has a coughing attack. He doesn't have time to cover his mouth with a tissue, so he covers it with his hand. He wipes his hand on his pants and then takes his sister's hand again. They continue walking until they reach the park, and they start playing together.
