

EXAMPLE HOW TO GUESS THE DIFFERENT WORD - THE INTRUDER

Let's suppose that the card you take is the following

- PLAYER
- AMATEURS
- GOAL
- ANTENNA
- REFEREE

First, read each of the words carefully.

If they all have something in common, you must decide what might make one of the words different from the other four.

For example, in this case all the words except ANTENNA are related to each other because they are all about the same sport, soccer.
