Making Marmalade

Try the mixture being careful not to burn yourself. If the taste and texture are correct, turn off the heat.

Wash the fruit and cut it into cubes. Put the product into a pot of water and let it boil.

Add the sugar until it dissolves completely. This will take another 20 minutes or so.

Squeeze a little lemon onto the fruit and stir constantly so that it does not stick for about 15 or 20 minutes.

Pour the mixture into the prepared glass jars.
