

SEQUENCING EXERCISES-ADVANCED LEVEL

Place the sentences in a logical and coherent order. Cut and paste or write in the boxes below.

The Tie

It consists of a strip of cloth that is looped in a knot around the neck, with both ends drooping down the front.

It is usually made of silk, cotton, wool and other materials.

Its price varies depending on the material and brand.

The tie is a garment that serves as a complement to the shirt.

It is usually for male use, but some women wear it.
