

## INFERENCE SERIES: PLACE

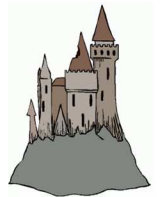

This place lets us see many different species of animals without having to go to other countries. The caretakers clean their cages and feed them. They take care of them and sometimes play with them. Some animals are in large enclosures, such as elephants. Others have smaller enclosures, such as snakes.

## INFERENCE SERIES: PLACE

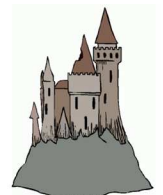

The lines on the ground define the space where the car is to be parked. It is important to stay inside the lines. If each car occupies its own space, there is room for everyone. In some of them, you have to pay a small amount of money to leave your vehicle.
