

EXAMPLE TO DESCRIBE AND GUESS A CARD

Let's suppose that the card you take is the following:

PLAY
<ul style="list-style-type: none">• PLAYER• FUN• BOARD• TOY STORE• CHILDREN

One way to describe the word PLAY could be:

It is an action or a verb carried out by both minors and adults, although minors usually do it regularly. To do this action you can use balls, cards, bowling ... Normally there are rules or regulations but sometimes they are not necessary. It can be done inside and outside the home or in other places like at school, in the park ... This action can be done by several people at the same time and is usually entertaining.

At no time have any of the marked words been used, just synonyms of the words: children has been replaced by minors, fun for entertaining.

Examples of Mistakes that can be easily made and that lose the game:

“Toys are used to carry out this action” - TOYS is a word derived from one of the forbidden words .

“This action rhymes with day” - You cannot use rhymes.
