

If when pronouncing
you get stuck with
words,
practice with tongue
twisters,
because with a tongue-
twisting,
tongue twister,
you'll be unlocking your
tongue.

Blue outlined tongue twisters
are easy to medium difficulty.

A tough tongue
twister
tried a tougher
tongue twister that
was too tough for a
talented tongue
twister
to tackle triumphantly
today.

Red outlined tongue twisters are
hard to challenging difficulty.
