Waiter / Waitress

Waiters and waitresses work in restaurants, cafes and hotels. They prepare the tables before the customers arrive, take orders from the customers, they serve the food and drinks ordered and then clean the tables when the customer leaves.

They are also in charge of taking the bill to the customers and then collecting the money. Usually customers will tip the waiters and waitresses for providing good service.

The waiters should be friendly, know the menu to recommend dishes to customers, and be very clean and tidy.

Waiters usually wear a uniform that serves to identify them.
