Dad and Mom took me to see the animals at the zoo. It would be free today. We only needed money for food. The three of us were soon ready to go. I wanted to visit the monkey area first. It was funny to watch them playfully scurry up one tree chasing a buddy who would flee up another tree. When we got hungry, Dad gladly took us to the food galley. Soon, my tummy was not empty. Dad said the petting zoo should be next. Mom and I agree with him. I got to feed a tiny donkey, a fluffy bunny, and a baby pony. I didn't want to leave, but Mom said I shouldn't worry since we will come back again. I was very happy!
